

Tohoku Expressway Pass

**With this Tohoku Expressway Pass,
enjoy unlimited rides on expressways in the Tohoku region at a fixed price!
Please rent an ETC* card for exclusive use together with a rental car.**

*Electronic Toll Collection (ETC) System: You can pass through expressway tollgates without stopping to pay when an ETC card (IC card) is inserted into the ETC device mounted in a vehicle via wireless communication between an antenna installed on the tollgate.

**Set your worries
to rest with this
fixed price!**
You will have unlimited access to
expressways in the Tohoku region.

**Don't worry if you
do not understand
Japanese!**
Since you will be using the ETC system,
you do not have to stop at a tollgate.

**You will have
extra time to
enjoy yourself!**
Expressways will shorten
your travel time.

*Please pass through an ETC lane at 20 km/h or less.

Tohoku Expressway Pass

Service area

● Service sections (as of October 2019)

● When using a highway beyond the service areas, there will be a separate charge.

Ex.

Applicable

Not applicable

Service area

Outside the service area

Sendai-Miyagi IC

Nishiaizu IC

Niigata-chuo IC

Legend	
■	Service area
■	Toll-free expressways
■	Areas outside the service area
●	IC used as the boundary for service areas and non-service areas

Notes

- This pass can only be used for driving in or out from the ICs in the sections in the service area (green and blue).
- You can drive on toll roads managed by other than our company and the Miyagi Prefectural Road Corporation, but you will have to pay for sections not included in this pass when you return your rental car. The pass does not apply to the following sections:
 1. When entering the service area from sections outside the area and leaving the service area from sections outside the area.
 2. When entering the service area from sections outside the area and leaving from ICs inside the service area or entering the service area from ICs inside the area and leaving from sections outside the area, you must pay for the section from the IC (Nishiaizu IC on the Ban'etsu Expressway, Shirakawa IC on the Tohoku Expressway, and the Iwaki-Nakoso IC on the Joban Expressway) which border the service area to whatever IC outside the service area you enter or exit.
 3. Driving beyond the specified period for the pass.
