

Tohoku Expressway Pass

Fixed rates for a carefree trip!

Fixed rate no matter how many times you use the expressways in the Tohoku region.

No worries even if you don't understand Japanese!

Equipped with ETC* so you do not have to stop at toll booths.

More time to enjoy your trip!

Make use of the expressways to reduce travel time.

*ETC (Electronic Toll Collection System) is a system in which drivers insert an ETC card (IC card) into an ETC on-board unit installed in their vehicle in order to pay tolls without stopping through wireless communication with an antenna installed at expressway toll booths.

*Please drive 20km/h or slower in the ETC lane.

Tohoku Expressway Pass

Eligible Area

● Map of area covered by Tohoku Expressway Pass (as of October 2024)

● When using outside the Eligible Area, a separate fee will be charged for the usage outside of the Eligible Area.

Important Information

- The Tohoku Expressway Pass is only applicable to driving in or out of the interchange of the green and blue toll roads in the Eligible Area.
- You can drive on toll roads outside the Eligible Area, but the Tohoku Expressway Pass does not apply in the following cases, so we ask that you pay the toll for the areas to which this Pass does not apply when you return your rental car.
 1. Travel involving entering from outside of the Eligible Area and exiting from outside of the Eligible Area.
 2. Travel involving entering from outside the Eligible Area and exiting from an interchange within the Eligible Area, or travel involving entering from an interchange within the Eligible Area and exiting outside the Eligible Area, are calculated by separating the travel at the interchange that borders the Eligible Area (Ban-Etsu Expressway Nishiaizu Interchange, Tohoku Expressway Shirakawa Interchange, Joban Expressway Iwaki-Nakoso Interchange). Travel from the interchanges that border the Eligible Area to a section outside the Eligible Area are not covered.
 3. Travel outside of the pre-approved time period.
- Important Information when going towards the Shimoda-Momoishi Interchange
The Daini-Michinoku Toll Road beyond the Shimoda-Momoishi Interchange is outside the Eligible Area of the Tohoku Expressway Pass and ETC is not available. Therefore, cash payment is required at the Shimoda Main Line tollgate.
- You must purchase the Tohoku Expressway Pass at an authorized rental car shop when picking up your rental car. You may not buy it at any other point of your trip.
- It is valid for the number of days (calendar days, not time-period) starting with the day you select when purchasing the pass at an authorized rental car shop.
For example, if you purchase a 4-Day pass beginning on May 26th at noon from an authorized rental car shop, the pass will be valid from May 26th to May 29th, regardless of the time purchased.
